I certify that all entries submitted are my own making or by a "Designated Team" and in accordance with the published rules. I absolve the NSWCAA from any loss or damage to my entries. I recognize the decision of the judges is final.

I hereby agree to leave my entry(entries) on exhibit until 5:00 PM on Sunday. I understand this to be a requirement of the Competition and failure to do so may result in forfeiture of any awards received and entry to other Atlantic Wildlife Competitions denied.

You must have this receipt visibly in your possession when removing your entries at the end of the show.
