and start of Ruddy Turnstone
project

November

3rd Craig Gallery wildlife Exhibit
9th Youth Class at Museum
Introduction to Carving
14th Wood Show
16th Youth Class at the Museum
Introduction to Carving

The Wildlife Carvers and Artists have scheduled in a very busy lifestyle for the first three months of this season. There will be the usual Thursday evening sessions but comments have been made for other sessions, and to have successful events we need the support of all carvers.

September 14 – 15

Exhibition & Demonstrations.

We will be in Eastern Passage on the waterfront for the 2nd Annual Wildlife Festival. We need 30 – 40 carvings to exhibit for this weekend. Carvings can be dropped off to Carl Purcell on Friday evening Sept 13 or dropped off to our booth in Eastern Passage before 10:00 am on Saturday September 14. Carvings can be picked up on Sunday at 4:30 at Eastern Passage or at Carl's house.

November 3

Exhibition

We will have an exhibition of wildlife carvings at the Craig Gallery in Dartmouth. We will need about 90 carvings and also volunteers for that month. The show opens on Sunday November 3 at 2:00 pm with a reception and will run until December 1st.

November 9th

Youth Carving Class

Introduction to carving and painting for youths will be held at the Nova Scotia Museum of Natural History on Saturday and repeated on the 16th. The projects will be carved Christmas ornaments.

November 14 – 17

Exhibition & Demonstrations

The Wood Show at Exhibition Park
We need volunteers to man the booth sell t-shirts tickets and demonstrate.

These events can be very successful but to be so will require the support of all of us either in the form of people power and/or carvings. All these events were discussed last spring meetings last year. Please call now and help out.
